

Changes in the Faculty ITC EER for M-GEO and M-SE 2025-2026

The following main changes were implemented in the EER for 2025-2026:

Common elements

- Art. 1.2: Several definitions have been added/rephrased. The terms 'Programme Manager' and 'Programme Director' have (in the entire document) been replaced by 'Programme Management'. This has led to minor changes in the content of art. 8.6 & 8.7.
- Art. 4.1, 4.3 & 4.4: Some texts have been rephrased/combined/clarified
- Art. 4.6, part 1 & 2 J: The texts about MSc research have been updated /restructured/aligned
- Art. 6.2: The texts about the roles of the study adviser and mentor have been updated to clarify the roles.

Programme-specific parts

- Part 1: the texts have been updated to match the new M-GEO curriculum, starting this academic year. Section L about the transitional arrangement has been added
- Part 2 A: It has been added that students with a HBO Bachelor from certain programmes may be directly admissible.
- Part 3: The texts have been updated to match the new M-GEO curriculum, which is also the basis for the PGD course.
