DECLARATION

1) In making an application for this scholarship, I declare that I can offer a **real** financial contribution before the commencement of the course of the following amount:

€ _____

This sum will be provided by: Myself / Employer / Other source (state) _____

I understand and accept that:

- 2) I will not be able to seek ANY paid part-time employment from the University of Twente.
- 3) If I take part in any other part-time employment, the proceeds of that employment AND my scholarship may be subject to taxation, and I may be ineligible for the regular student insurance policy.
- 4) I may apply for other scholarships in addition to the OKP-ITC, but that I will NOT be able to receive any other additional scholarship that is administered by the University of Twente.
- 5) I will require a laptop computer to participate in the ITC course. I have reviewed the minimum specifications of the required computer and accept that I will either bring my own computer, or purchase one on arrival, and that I will make the funds available to do this. ITC offers assistance in purchasing a laptop computer through the ITC Notebook Programme.
- 6) This scholarship covers a study period of two academic years, and no further extension of the scholarship will be available.
- 7) In the event that a prolongation of the study is necessary to complete the degree, I will be liable to additional tuition fees, (on a monthly basis at the standard published rate), insurance costs, and standard living allowances.
