

Developing a global, people-based definition of cities and settlements

By Lewis Dijkstra
Deputy Head of Unit
Economic Analysis Unit,
DG Regional and Urban Policy
European Commission

How we are

- *Four international organisations:*
- *European Commission*
 - **REGIO**
 - **JRC**
 - **Eurostat**
- *FAO*
- *OECD*
- *WB*

What we plan to do

- *Test two definitions*
 - **Degree of urbanisation**
 - **Functional urban area**
- *Work with pilot countries*
- *Survey all statistical institutes*
- *Present the definition to UN Statistical Commission*

Why you should join the efforts

- *Find the only globally comparable set of cities*
- *Learn about their similarities and difference*
- *Lots of free data and many potential areas of new research*
- *Be ahead of the game*
